Subject: First Flight Federal Credit Union - Comments on Proposed Rule Part 740
Importance: High

Having to change the NCUA logo within a 60 day period is low impact for the credit union where it involves only teller station signs and lobby/office signs and our website. The bigger impact is for marketing items that are pre-printed with the NCUA logo. Our credit union takes advantage of ordering items in bulk to save money and effort. A 6-month or 1-year compliance for printed marketing items would give our credit union time to phase out the old logo in a manageable timeframe.
